

Squashies Milkshake Syrup Manual

User Guide :

Mixing instructions

- The correct ratio for mixing is 1 part flavouring to 5 parts thick shake.
- For example, mix 1 litre of Squashies Flavouring with 5 litres of thick shake.
- To achieve the best results, follow these simple steps:
- Measure out your desired amount of Squashies Flavouring.
- Measure out five times that amount of thick shake.
- Pour both ingredients into your machine.
- Turn the machine on and mix until the contents are smooth and fully combined.
- Serve and enjoy your delicious Squashies milkshake!
